

## LETTER FROM THE RECTOR

Dear Immanuel Friends and Family,

It is both a genuine privilege and a true responsibility of every priest to invite Christians to give, to contribute towards all that we do together in Jesus' name. We are each blessed by God, and then invited to give back from our time, our talent, and our treasure. You may have heard me say before that, should you ever encounter a Christian community which never asks anything of you, it probably would be best to run away quickly. Giving of all that we are is a central act of Christian discipleship, of following Jesus.

The theme of our Every Member Pledge Campaign this year at Immanuel celebrates our calling and great honor to serve together in community, rooted and grounded in God's love and in the community where God has placed us. I believe Immanuel's mission and ministry is close to God's heart of love. This parish church, our parish home, deserves the support of all of us. This invitation goes to all of our established members, as well as to our many newcomers.

Pledge packets have been mailed to all households. If you have not received one please do give the office a call and we will rectify that! Please cards may be returned by mail, or dropped in the offering plate. You may pledge online easily at our web site: [icoh.net](http://icoh.net), or you may email our Treasurer, Tom Hewson, directly at the office: 703.370.6555.

May this campaign be an opportunity truly to engage in inventory and thanksgiving, and then consciously giving back. May this be a further opportunity to continue our re-engagement and returning following the deprivations and restrictions of the past couple of years. Commitment Sunday is November 20th.

God bless you all,

*Randy*

The Rev. J. Randolph Alexander, Jr  
Rector

## HARVEST DINNER

*The Harvest Dinner returns this Dec 3rd! Check out the website or call the hotline to make a reservation by Nov 21st!*

## OUTREACH MONEY RAISED BY 2022 PUMPKIN PATCH SETS NEW RECORD!

By Rick Glassco

This is our 29th year selling pumpkins to raise money for outreach. We received five truckloads of pumpkins in boxes on pallets, which we unloaded with a pallet jack, forklift, and lots of volunteer labor. Once again, many parishioners, students, and community groups helped unload the pumpkins, and many crafters, bakers and soup-makers provided goods to sell. Once again, we involved our parish in a large-scale cooperative effort, welcomed hundreds of community residents to our front yard, supported the Navajo pumpkin growers, and most importantly, raised money for local, national, and international charities that need funds more than ever.

For many customers it was their first visit. They heard about us from friends, from good reviews on the Internet, or simply saw all that orange on our front lawn as they drove by and were curious. Many other customers have been coming for more than a generation. Every visiting child (and some parents) got a “pumpkin

patch visitor” sticker, and everyone left with a smile and a good feeling.

The question many people have been asking has been “Did the money we raised for outreach from this year’s pumpkin patch sales beat our record from last year?” The answer is “Yes!” We were blessed with five full weekends to sell, the decision to order a fifth truckload of pumpkins, and only a few rainy days.

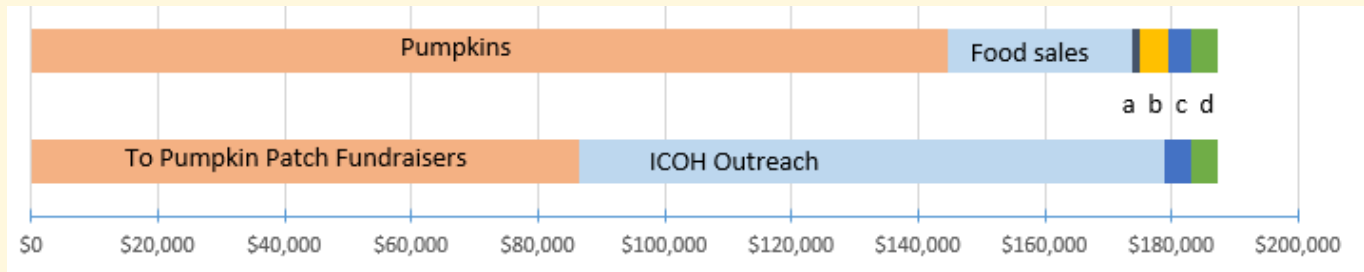

Here is the summary of the sources of income.

Pumpkins	\$144,657
Food items	\$29,149
Craft items	\$1,248
Donations	\$4,327
Tips	\$3,661
VA Sales Tax	\$4,358
Total	\$187,400

Here (on the next page) is where that money went!

Virginia (sales tax)	\$4,358
Square (CC processing)	\$4,139
Patch Fundraisers	\$86,563
Outreach	\$92,340

The top bar of the following chart graphs the sources of income: pumpkin sales, food sales, craft sales (labeled a), donations (labeled b), tips to cover credit card fees (labeled c), and collected sales tax (labeled d).

The second bar portrays the disposition of the funds. \$4,358 went to the state for sales tax, \$4,139 went to Square for credit card processing, and \$86,563 went to Pumpkin Patch Fundraisers, the national outfit that provides the pumpkins, pays the Navajo reservation where the pumpkins are grown, and pays for the boxes, pallets, and shipping costs. The remaining \$92,340 has been retained by our church for outreach activities. The “bottom line” figure of \$92,340 exceeds the 2020 net of \$90,048, and last year’s net of \$91,257.

We do incur other costs for operating the patch. The bottom line figure reported above does not reflect expenses such as fork lift operation, soup containers, trash removal, and supplies. This year’s expenses were covered from last year’s profits, and are expected to be about \$3,000.

Our sales were the highest by far on the weekends. We didn’t set a new record for daily gross sales, but we came close. Our top-selling day was Saturday the 15th, with sales of \$16,949, followed by Oct. 16 and Oct. 22 with sales over \$15,000. We had several rainy days early in the month, and on Halloween day, but not enough to force the patch to close.

Our heartfelt thanks to the great many of you who stepped up in so many ways to make it possible.

And thanks be to God!
