Welcome to *Simple Gifts*

By the Rev. J. Randolph Alexander, Jr.

I am pleased to introduce *Simple Gifts*, Immanuel's new periodic email message to inspire the spirit. The vestry and I are hopeful that you will read it and share your favorites with friends, family, and neighbors. *Simple Gifts* will draw on a number of our extended "family" from Immanuel and VTS as contributing writers. I know you will treasure their meditations. I am grateful to Danette (Dani) Kauffman for having the idea for this new outreach and organizing this new publication. It is, of course, beginning during the pandemic, and we hope it will last long afterwards.

Simple Gifts has its own, unique distribution list. You can subscribe or "update profile" (see link below) and **not affect any other** communications you receive from Immanuel Church-on-the-Hill. The subscription links appear at the end of each issue of *Simple Gifts*. **Click on "Update Profile"** to discontinue this newsletter but stay on the parishwide mailing list for other communications. **Do not click on "unsubscribe" unless you wish to be taken off ALL Immanuel mailing lists** and no longer receive any parish emails.

Your comments are always a welcome blessing. May *Simple Gifts* offer new ideas to support and sustain us on our pilgrim journey.
