TWO ELECTION PRAYER VIGILS FROM ZABRISKIE CHAPEL

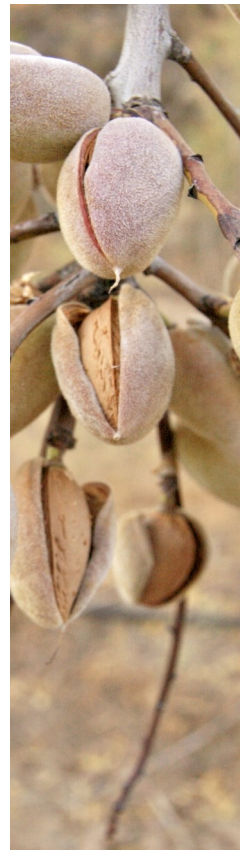

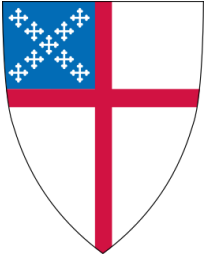

Each night November 2nd and 4th, at 6p.m., Immanuel will host a [Zoom/Livestream Prayer Vigil](#) from Zabriskie Chapel to pray for life and health of the United States.

While designed and envisioned as an online service, we have several in-person speaking roles, and ask Immanuel members to volunteer as readers or intercessors — the service portion of the vigil will be entirely taken from the Book of Common Prayer.

If you want to participate as a reader, please contact one of the clergy. To sign-up to participate from inside the chapel, please visit <https://www.signupgenius.com/go/10C0D4DAEA928ABF4C61-immanuel>. Space is quite limited, as we will adhere to Diocesan guidelines on the number of people who can be in the building at one time. Anyone who does participate must wear an appropriate face mask and remain socially distant. Father Sam will disinfect affected items in the room before, during, and after the service.

Our broadcast services should last an hour; however, the vigil itself will continue online until 10p.m. to offer a sacred space for personal silent prayer and reflection.

For additional [Election Prayer Resources from the Episcopal Church](#) — including addresses from our bishops, an all-day virtual vigil held on November 3rd, and a prayer hotline staffed by clergy (in partnership with Virginia Theological Seminary and General Theological Seminary).

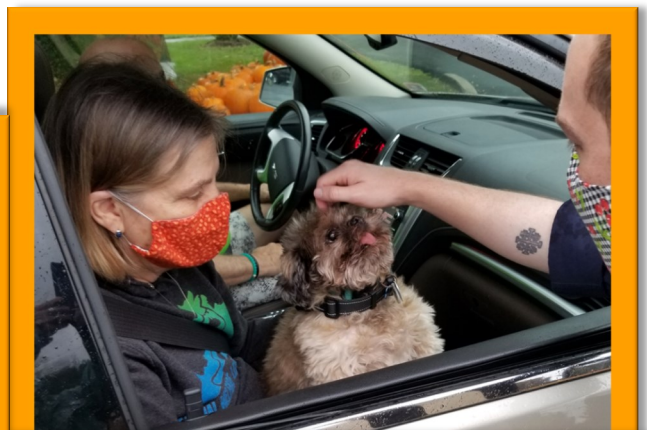

To access either service from your computer, visit www.icoh.net. At the top menu under “More” select “Almond Tree Quarterly & In Brief” from the pull-down menu, then the image of this publication. Rain Couldn’t Dampen Immanuel’s Blessing of the Animals

Over fifty dogs — and two very special cats — accompanied their human family members to the drive-by pet blessing on Sunday, October 11th from 5 - 6p.m. in the Zabriskie Chapel parking lot. The line of cars was as steady as the rain as Mother Susan and Father Sam gave blessings to the pets of parishioners — and anyone else who came.

Special thanks to Beth Hendrix, who took all of these excellent photos.

As the light rain helped with air quality, every family had the choice of having their pet blessed either inside of their vehicle or in the parking lot — socially distanced away from all other animals.

We'd love to hear from you
